Dear Ian,

As you are aware, we were broken into AGAIN on the 06 September 2014, where they stole all 4 LCD TV's (for the 3<sup>rd</sup> time). We contacted you to have the second Chilli Pepper Spray Alarm fitted. They broke in again on the 03 October 2014 (just shy of a month), wanting the new LCD TV's which have just been replaced. Before they could even get to the LCD TV's the Chilli Pepper Spray Alarm went off, leaving them empty handed.

We would like to thank you for the systems which you have installed for us and would gladly recommend your Chilli Pepper Spray Alarms to any other Company.

Kind regards
