CARTER MEDICAL SUPPLIES

To whom it may concern

This serves to confirm that Compusafe installed computer safes and cabling after a burglary at our premises in October 2010.

Subsequent to this installation, we experienced a second attempted burglary, but the burglars were foiled due to the fact that all the computer equipment was cabled and safe locked.

The service and workmanship given was excellent, and we unreservedly recommend Compusafe's services to anyone.

Sincerely,

GM Evans
