To The COMPUSAFE Team.

In August this year, we received a phone call from ADT at approximately 5 am informing us of a break-in into our premises on Henred Rd off Shepstone. The break-in was seen by an on duty guard opposite our premises and noted they took approximately 10minutes to remove the electric gate off the rail, force entry into the premises and then leave.

Thanks to the safe provided by you, the server was left and only our flat screen which was not secured was stolen.

Once again,
Thank you for saving all our valuable info!

Kind Regards,

Rock Solid Coatings
